Opium, Morphine, Alcohol.

Dr. Boxell, My Dear Sir: I used opium for five years, and endured untold
suffering and humiliation. In the agony of despair I appealed to old friends
in Houston, who sent for me and took me to you for treatment. In a few
days all craving and desire for opium was gone, and in a short time I was a
completely cured, saved, free woman. Words can not express my happiness and
gratitude to you and my old friends. They and other leading citizens of Hous-
ton know of my condition and cure, and I am not only willing but anxious to
have you give my name and address to those who suffer as I did, that I may
verify this statement. Gratefully yours,
Catherine Dismas of the Eye, Ear, Nose, Throat, Lungs, Heart, Stomach,
Liver, Bowels, Kidneys, Bladder, Blood and Skin, skillfully treated.
Disease of Women, Nervous Diseases, and all Sexual Weaknesses, Losses
and Impediments, male or female, treated with expert ability.
Catarrh, Asthma, Bronchitis, Consumption, Malaria, Dyspepsia, Constipa-
tion, Diarrhoea, Dysentery, Piles, Rheumatism, Dropsy, Neuritis, Epilep-
sy, Paralysis, Scrofula, Syphilis, Bilecture and other chronic dis-
eases treated with eminent success.
Dr. Boxell's treatment for the Alcohol, Morphine, Opium, Cocaine, and To-
bacco Habit is the quickest, easiest and best method known, is entirely different
from all other methods, and is absolutely harmless. A perfect cure guaranteed
in every case or money refunded.
Dr. Boxell is a graduate of the Physio-Medical College of Indiana, Indianapolis,
Ind., a member of the American Association of Physio-Medical Physicians
and Surgeons, Vice President of the Texas Association of Physio-Medical Physi-
cians and Surgeons, and chairman of the Section of Gynecology (Disease of
Women), and an honorary member of several other medical societies.
Physio-Medical means Natural Medicine. This school of medicine uses
no calomel, strychnine, alcohol, morphine, arsenic or other poison of any kind as
medicine. Instead of being weak, it meets the most difficult and deadly dis-
eases and conditions known, and challenges any school of medicine that uses poisons
to show an equal degree of success.
Dr. Boxell has had four years of a very large and successful practice in this
city and State, extending into several other States. He has letters of recom-
mendation from the leading business men of this city, and testimonials from
hundreds of persons whom he cured after their cases were considered hopeless.
Write for Home Treatment, describing case carefully, and enclosing stamp.
All medicine furnished from the doctor's own laboratory.

Texas. Office hours, 9 to 12, 2 to 5 and 7 to 8.

THE LOCAL G. A. R. COMMITTEE
Getting Ready for the State En-
campment Here Next Month.
The executive committee of the Grand
Army of the Republic met at the Hotel
Bristol Friday night, their regular meet-
ing. The evening was mostly devoted to
looking after details and getting things in
readiness for the State encampment. A
committee on public comfort was appointed
to look after the visiting comrades, direct
them to hotels, boarding houses, private
houses or wherever they desired to go,
and also to care for their luggage and
parcels at the headquarters of the commit-
tee. The committee is composed of Com-
rades F. M. Van Horn, chairman; W. H.
Blake and Fred W. Fox, who will be as-
sisted by a corps of messenger boys as a
general utility committee.
The feature of the meeting of the commit-
tee was the presence of Comrade Ed
Ketchum of Galveston, who was appointed
as a member of it by McCallan post be-
cause whenever he is called to order he
has to move, and wherever he is there is
plenty of sunshine, however thick the
clouds. The arrangements for the camp-
fire have been for the most part placed
in his hands, and all other comrades and
committees are ready to obey his order.
That means success and a good time for
the veterans and General Dick Coker's young-
sters, as well as for the lady guests, the
Daughters of the Republic, and the Wo-
man's Relief corps.
Several of the great grand officers of the
Grand Army have signified their intention
to be present at the encampment and their
names will be announced at the meeting
of the executive committee on next Friday
evening.

THE CENTER OF ATTRACTION
Of the business firms in Houston is Dismas's
China Palace, 407 Main street. That
firm carries an immense stock of crockery,
and glassware and is prepared to fill all or-
ders promptly. Here you find all the novel-
ties known to the art of decorating on
China. The raised decorations of forget-me-
nots and violets being among the newest
and best. It is safe to say no prettier novel-
ties could be produced anywhere.
The firm also has a nice line of silver
metal jewelry, boxes, clocks, handker-
chief boxes, ring trays, card receivers, key
racks and many other similar goods too
numerous to mention here.
Hisque statuary is fully represented and
the many grotesque combinations and rep-
resentations are pleasing, notably among
them the new bronzes.
A greater variety of vases can not be
conceived than is carried by Dismas's.
The Royal Crown, Ganesa, Tepalit, Cat
and Bohemian glass in the very latest de-
signs. This firm does not confine itself to
the ornamental lines only, but is quite ex-
tensively engaged in the useful ones as
well. Haviland China is shown here in
exclusive shapes and decorations and those
who are in position to know wonder at
the marvelously low price these goods are
being offered.
For every day dinnerware Dismas's
control the well known lines of Johnson
Bro's, whose reputation for superior qual-
ity is acknowledged throughout the com-
mercial world. Their shapes and decorations
are exact reproductions of Haviland and
coupled with best quality and the low
price makes them very desirable. The Aus-
trian China plays quite a role in the house-
hold. In it they show water pitchers, chocolate
jugs, biscuit jars, teapots, salad and berry
bowls, etc., at prices which makes the line
a ready seller.
Table glassware has had its full share of
attention. Mr. Dismas while East recently
purchasing the entire stock of a factory,
securing a rebate, which he is willing to
share with his patrons. The goods are so
well executed that only experts can distin-
guish it from the genuine cutglass.
In tollowing the newest out is the Prin-
cess. You can not find it elsewhere. Like it
by everybody. Mr. Dismas has made the
crockery business a study of over twenty
years and is constantly engaged in procur-
ing the best to be had, sparing neither
money nor time, his aim being to advance
the interests of his patrons along with his
own.

that's the best," "One price only, that's
the lowest," "See Dismas's ad. on page 2
